Subject: SH Bell Fact Sheet

Ronna –

Reaching out for advice on distributing our fact sheet for the SH Bell Chicago case.

On a call with the community groups and citizens in SE Chicago we were asked if we could prepare a fact sheet that could be available in Spanish. HQ just approved this fact sheet. We will be posting to the website.

Could you share with some of your contacts? We'd like to find a way to get it distributed more broadly.

Thank you and let me know if you have any questions.

Molly Smith

Environmental Scientist
